# mehr Perspektiven

CONSULTING | MEDIATION | COMMUNICATION

## CONSULTING

Together with you we identify your needs, sound out options for action and provide impetus for implementations.

- Consulting and project management in the health care sector
- Change and implementation management
- Communication with mediation skills

## MEDIATION

Conflicts can provide opportunities if you deal constructively with differences and use diversity to leverage new solutions.

- Mediation in the health care sector
- Managing conflicts in teams and organisations
- Intercultural mediation

## COMMUNICATION

Inspire your international customers with targeted and mindful communication. Online and offline. In meetings and presentations.

- Moderation, intercultural communication and training
- Consulting and development of virtual teams
- Conference and speech-to-text-interpreting
